

The horizontal join to e from b, o, r, v, and w has a bigger dip than a normal horizontal join.

When joining f to e, start the crossbar a bit lower.

bigger dip  
ve re oe

normal crossbar      start crossbar lower  
fi fe

Trace, then copy.

ve re ve we fe re ve

best canoe feature active

relaxed some poetry velvet

Tornadoes are very powerful and can wreck heavy vehicles.

Underline your best three best horizontal joins to e.
